

## TECHNICAL DATA SHEET

### G4000

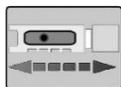

#### Eye protection

Article NO: E4039

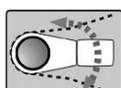

Lens: clear  
 Material- lens: polycarbonate  
 Material- frame: polypropylene  
 Material- face sealing: AES Santropene

Goggles with innovative styling with blue tinted transparent frame and 25-mm long adjustable rubber band. Small size makes the goggles especially suitable to be worn under protective helmets. Their fit well even on slim faces. Clear polycarbonate lens are made from one piece, protect against UV radiation and are resistant to medium-energy shocks (up to 120 m/s) at extreme temperatures (-5 °C - +55 °C). These goggles provide maximum protection, unusually big field of view and comfort because of indirect aeration system.

Adjustable temple length - NO

Adjustable temple angle - NO

Anti-fogging lens - YES

Anti-scratching lens - YES

#### Clear lens, UV, 1 BT 9 0

Type of the filter:		UV filter
Shade number:		clear lens
Optical class:	1	permanent use
Mechanical resistance:	BT	resistant to medium-energy shocks at extreme temperatures
Suitable use:	9	molten metal and hot solid substances
Type of the lens:	0	original lens

This personal protective equipment is in conformity with these harmonized European Standards:

EN 166:2001: Personal eye protection. General requirements.

EN 170:2002: Personal eye-protection - Ultraviolet filters - Transmittance requirements and recommended use.

Certified by Notified body no. 2797 (BSI Group The Netherlands B.V., John M. Keynesplein 9, 1066 EP Amsterdam, The Netherlands),  
Certificate no CE 749754, dated 26<sup>th</sup> August 2021.

---

Pieces in carton:	200
Pieces in box:	10
Polybag packing (pieces):	1
Carton weight:	10 kg
Carton size:	0,095 m <sup>3</sup>

---

Store in dry and dark environment away from direct sunlight at temperatures of -5°C to +55°C, relative humidity 90% and out of sources of gasoline vapors and solvents.

It is recommended to clean after each use. Clean at room temperature with a clean cloth, lightly moistened with a concentrated solution of water and detergent. Do not use hot water, fuel, degreasing fluids, organic solvents or abrasive cleaners.
