This headlamp is fully rechargeable, eliminating the need to purchase any batteries. The batteries come pre-charged to 80–90%, allowing for immediate use; however, we recommend fully charging the headlamp upon receipt. Try to recharge the battery before it is completely depleted. Once the battery is fully charged, be sure to disconnect the USB charging cable. Do not attempt to open the battery compartment.

**Warning:** Children under the age of 6 should not use this product without adult supervision.
